The wine's character

Just steps from Clos de Vougeot, "Les Amoureuses", and Musigny, the wines of Vougeot share a natural kinship with these illustrious crus. Its limited production lends it a special cachet.

Appearance: Deep ruby with violet highlights, signaling the power and pedigree of its origin.

Aroma: Violets, honeysuckle, and hawthorn lead, followed by black fruits—griotte, blackberry, and blackcurrant—promising both depth and finesse.

Palate: Delicate tannins lend a smooth, harmonious texture to the palate. A spicy touch lifts the aromatic intensity.

Terroir, origin, and identity

In the 19th century, "Les Petits Vougeots" was among the "Premières Cuvées" of Vougeot (along with La Vigne Blanche), with Clos de Vougeot considered the "Tête de Cuvée." This is also where the Petite Vouge spring rises—flowing only during heavy rains—before joining the main source, the Vouge.

The soils and subsoils here closely resemble those found in the northern section of Clos de Vougeot.
